Re: Message from the new Acting Headteacher at Islamia Girls School

I am truly honoured to be appointed as Headteacher of Islamia Girls School. I look forward to working with you to help your daughter attain the best in this life and the next with the permission of Allah. I have been the Headteacher of Brondesbury College for more than 7 years now Alhamdulillah and I am excited about the future for both schools.

I will be spending the next few weeks getting to know the school and putting systems in place to ensure the smooth running of the school. In the meantime, I would like your feedback to look at which areas need more focus.

In the next few days, all parents will be sent a Parent Survey. Please kindly ensure that you complete this survey so that I can use your feedback to set developmental targets for the School. I appreciate that some parents may want to meet me face to face. I kindly request for parents to allow me a few weeks to settle into my role. In the meantime, please do send me your comments via the survey as this will be more productive at this time insha'Allah. In this way, I will be able to focus on making improvements and changes where necessary bi ithnillah.

Once the feedback from the survey has been collated and analysed, I will be presenting the findings and my subsequent plans to the parents in meetings with parents' insha'Allah. I plan to meet all parents via video conferencing and face to face meetings (where possible) before the end of the first term insha'Allah.

I would like to take this opportunity to thank Mrs Hasana Islam and everyone at Yusuf Islam Foundation for this opportunity. I would also like to thank you for trusting us with your daughter. I pray that we are able to fulfil your dreams and your aspirations for your children. May Allah give all of the children every success in this life and the next.
