## **1. Introduction**

- 1.1. Safeguarding children is the School's responsibility and good safeguarding practice must be built in to routine procedures and practice. One of the most important areas where this occurs is within recruitment and vetting of people who have contact with children.
- 1.2. This policy details the checks that will have to be carried out by the School.

## **2. Identity**

- 2.1. The School must hold proof of identity such as a birth certificate, driving licence, or passport combined with evidence of address.
- 2.2. Some form of photographic identity should be seen except where for exceptional reasons none is available.
- 2.3. The proof should include name, date of birth, address and photographic identity.
- 2.4. If a teacher or worker is provided by a third party, such as an employment business or agency, we must check that the person who comes is the person referred by the agency by carrying out above identity checks.

## **3. List 99 – Children's barred list**

- 3.1. List 99 checks must be undertaken by all staff.
- 3.2. They are usually completed as part of DBS enhanced disclosure.
- 3.3. A separate list 99 check will not be required unless the DBS Disclosure is outstanding.

## **4. DBS Disclosures**

- 4.1. All permanent staff must have enhanced DBS checks.
- 4.2. All newly appointed School staff must obtain an Enhanced DBS Disclosure.
- 4.3. A newly appointed member of staff is anyone that has not worked in close contact with children within the three months before his or her appointment. (A barred list check must be obtained in this case)
- 4.4. A new DBS Disclosure is not required when someone moves School or local authority (within 3 months). A barred list check is required in this case.
- 4.5. Ideally, where a DBS disclosure is required, it will be obtained before an individual begins work.
- 4.6. For any supply staff that come to the School, written notification will be obtained from the agency indicating whether relevant DBS Disclosures have been requested for that individual, whether or not the DBS

Disclosure has been received, and if received, whether it included any disclosed information.

- 4.7. In the case that the DBS Disclosure indicates any cause for concern for agency or directly employed staff, the member of staff will be immediately withdrawn from the School.

## **5. Qualifications**

- 5.1. Checks will be carried out to ensure that all staff have actually obtained all qualifications legally required for the job and claimed in their application by requesting a relevant certificate or diploma.
- 5.2. These qualifications amongst others may include Qualified Teacher Status, National Professional Qualification for Headship, registration with the GTC and medical fitness requirements.

## **6. Professional and Character References**

- 6.1. All staff must be able to provide up to two professional references.
- 6.2. All references will be sought directly from the referee.
- 6.3. On receipt references will be checked to ensure that all specific questions have been answered satisfactorily.

## **7. Previous Employment History**

- 7.1. Enquires in to previous employment must be made and satisfactory explanations will be sought for any gaps in employment history.

## **8. Health**

- 8.1. Checks will be carried out in to the physical and mental fitness of all staff before an appointment offer is made.

## **9. Right to work in the UK**
