

Job Title: Science Technician/Cover Teacher/Staff

Name of School: Islamia Girls School/Brondesbury College

Duration: Full-time

Start: Immediate

Job Description: We are seeking a talented and inspirational Science Technician to join our flourishing Science department in our internationally known school, supporting the Science department as well as providing general cover for lessons and school's front desk (reception).

Applicant must be a hardworking and enthusiastic professional with a background knowledge in Science. The position will involve:

- Providing general day to day cover for staff absences
- Cleaning, storing and accounting for all equipment and stock including chemicals
- Undertaking of safety checks and routine maintenance of laboratory equipment
- Ensuring chemical and biological waste is disposed of correctly
- Maintaining filing systems and correct paperwork for stock orders and keeping the department tidy
- Keeping relevant Health and Safety knowledge up-to-date e.g. COSHH requirements
- Assisting teaching staff in the running of practical sessions for pupils, and undertaking other duties as directed
- Ensuring all materials and equipment are ready for practical lessons and demonstrations, liaising with teaching staff for lesson planning
- Demonstrating through own example, the ethos and mission statement of the school
- Promote, support and have professional regard for the school's mission statement, Islamic ethos, policies and practice of the school.
- Maintain high standards in their own attendance and punctuality
- **Please see job description**

The applicant will be a motivated individual with a keen interest in encouraging and inspiring students to love learning and excel in the subject area of Science.

Candidates must be a positive role model that will enhance our reputation and upkeep our Islamic Ethos. As an independent Islamic school, it is important we seek individuals that will strive to work towards the Quran and Sunnah, and implement these values within their teaching.

Please see our website for further information about our school.

Qualifications: If you are interested in this post you must obtain or be working towards:

- A strong knowledge of science and a genuine interest in the subject
- A qualification in any area of science
- Previous experience of working in a school laboratory for referencing purposes
- A patient approach towards working with children and adults alike
- The willingness to learn and train on the job
- Effective communication skills, both orally and in writing
- A strong work ethic, the ability to work as part of a team and a professional attitude
- Hard working, ambitious and organised
- Awareness of school child protection and safeguarding procedures (available on website)
- Islamic knowledge

All staff appointments are subject to obtaining an enhanced DBS and other similar checks and 2 satisfactory professional references

Salary: £23,735 to £26,260 (based on experience)

Closing Date: please email: a.ali@brondesburycollege.co.uk

How to Apply: If you are interested in this position, please complete the "Non Teaching Application Form" (available on the website) and forward along with your CV to the Headteacher: a.ali@brondesburycollege.co.uk
